

How to register for the MDT

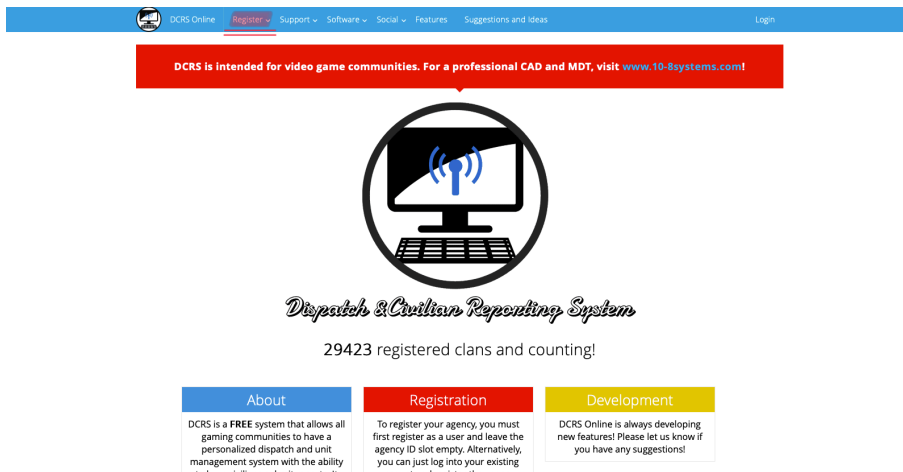

Here are the steps to register for our MDT.

1. Google

First you need to search on google DCRS CAD. Then click the first link (<https://dcrscad.com>).

2. Sign up to DCRS

You need to click the “Register button in the top left.

And then click “Register user”

Then fill in all the information and click “Create User”

← Register User

Name (*Firstname Lastname* format. Don't add ranks.)

By using DCRS Online, you agree to our [Terms of Service](#) and [Privacy Policy \(Updated 5/24/18\)](#). Copyright © 2018 DCRS

You should then receive an email, confirming your account.

3. Registering for AUGFL

The next step is to sign in to your account, on dcrs online.

You should see a message on screen, about you not being registered by an agency.

Click “set an agency ID”.

You will be taken your user settings, and input here:

Agency ID

Changing this will require the new agency to accept you. You will lose access to your current agency and be logged out.

NOTE: You will be automatically logged out. This will update your account information!

Update

“AUGFL”

4. Done

You are now registered as a AUGFL applicant, a FL admin will accept your application and you will be able to access the MDT.

Troubleshooting

Almost all issues can be fixed by logging out and logging back in. This is a common issue with DCRS CAD and is simple to fix.

If you have other issues contact a FL group Moderator, or the FL GM.
